EVENT FAQ'S

HOW EARLY CAN I GET IN ON THE DAY OF MY EVENT?

The room will be available to you 1 hour prior to your start time to get in and decorate, etc. (Weddings are an exception – please inquire about timing).

IS THERE A ROOM RENTAL FEE?

Yes, the room rental fee ranges from \$125 - \$275 depending on the space you rent. For room rental fees, please refer to page 4 of this packet..

HOW MANY PEOPLE CAN BE SEATED PER TABLE?

Our round tables can accommodate up to 9 people per table. We only have round tables for seating. We do have 3 high top tables that can be added in the bar area of our event space for cocktailing.

IS THERE A CHARGE FOR LINENS?

No, the price of linens is included in your room rental. You have the choice of standard black linens or white upon request.

DO YOU PROVIDE CENTERPIECES FOR THE TABLES?

Yes. If you do not bring in your own, you may use our centerpieces which entail candles in a round clear candle holder on top of a round mirror. No charge to use ours. We do need to know in advance if you wish to use them. If your are bringing in your own centerpieces, please make sure they do not contain any confetti. We do not allow any balloons with confetti in them. \$100 clean up fee will apply if used.

CAN I BRING IN CUPCAKES OR DESSERTS?

Yes. The charge is \$1.50/person to bring in your own desserts. We do not limit the number of desserts you are allowed to bring in. We will waive the per person dessert fee if you provide paper plates, forks and napkins for us to serve the desserts on that you bring in.

CAN I HOOK UP MY OWN MUSIC TO PLAY?

We do not have the capability to hook up outside music to our system, however; you are more than welcome to bring in your own Bluetooth speakers and sync your music through them. Otherwise, the music played in the event spaces is the same music that is piped through to the restaurant.

CAN I HAVE A DJ OR BAND?

Yes, to both. We just ask that the bass is not too loud so it does not disturb restaurant guests. Live bands tend to have a harder time controlling sound levels, so we ask to just keep this in mind when booking. If it appears to be too loud we will just ask the DJ or band members to lower the volume.

CAN I CUSTOMIZE A MENU?

Yes. If you have something in mind, but do not see what you're looking for in one of our packages, we can price anything out for you. As long as we can get the product in, we can do it. You can also build your own package with heavy apps, full pans of mac n' cheese/ smashed redskin potatoes/ etc. Ask about pricing for what it is you're looking for.

HOW MANY HEAVY APPETIZERS SHOULD I SELECT?

If you are only doing heavy appetizers, we suggest selecting 7-9 different apps for a good variety. We can help with increments for the apps you select, based on your headcount. Some apps are more popular than others, or might be special order, so our suggestion would be higher on certain apps. If you are having a buffet or plated dinner but would like to offer some appetizers before lunch or dinner, we suggest selecting 2-4.

CAN I ORDER MORE FOOD IF I RUN OUT OF SOMETHING?

Yes- but only if it is a food item that crosses over to our regular menu. If it is something that is a special order, you will not be able to order more.

WHEN DO I NEED TO FINALIZE MY MENU?

We require your menu selections 10 days prior to your event to assure enough time for ordering.

IMPORTANT: WHEN DO I NEED TO GIVE MY FINAL HEADCOUNT?

A final headcount must be given no later than two days prior to your scheduled event date. If it is an event larger than 100 people, we require your final headcount 7 days prior. We require a final headcount for any of our buffet or plated packages. You will be charged the final headcount in which you confirm. Any discrepancy in headcount will be charged to reflect your guaranteed headcount on your final bill.

WHAT ARE THE OPTIONS & PRICING FOR KIDS MEALS?

Kids under 8 can order off our regular kids menu the day of (\$7/kids meal). If you want to include kids in any buffet package, the cost for kids under 8 is discounted \$8 from the package price. Please make sure your final head count does not include kids under 8. We will assume your final headcount for buffet/ plated packages is all adults.

DO I HAVE TO SELECT A BAR PACKAGE?

No. The bar portion for every event is completely customizable. You can select a package if you would like to know what you're spending out the door, but it is not necessary. However, we advise you to select a bar package for larger drinking crowds. Based on consumption liquor packages means we charge per drink, based on what your guests order.

If you decide to limit offerings to beer & wine and do a cash bar for liquor, no problem. If you decide to do drink tickets, we will give the host the drink tickets to disperse accordingly to their guests. Any unused drink tickets at the end of the event can be cashed in. If you do not want to cover any alcohol, we will do a cash bar and your guests can pay on their own by cash or start a tab with a credit card.

CAN A CASH BAR CONTRIBUTE TO MY FOOD & BEVERAGE MINIMUM?

Absolutely. If your food and beverage minimum is \$1,000 and you have \$750 in food, any alcohol purchased by your guests can contribute to the \$250 needed to reach your room minimum. If you are not doing an open bar, you do not need to select any kind of bar package.

WHAT ARE MY WINE OPTIONS FOR AN OPEN BAR?

You have the option to offer your guests to order from our list by the glass, or pre-select varietals and be charged by the bottle. Keep in mind our wines by the glass range from \$8-\$20/glass. If you want to control your bar spend, we suggest selecting our wines by the bottle. Wines by the bottle are \$30 each, and you pay for whatever is opened. Whatever is opened and not fully consumed by the conclusion of your event, you can take home with you. Varietals for wine by the bottle (\$30) are: Cabernet Sauvignon, Merlot, Pinot Noir, Chardonnay, Sauvignon Blanc, Pinot Grigio and Moscato.
